### Hydrogen Fuel Infrastructure Workshop -- Station Location Areas --

Location: California Air Resources Board  
Room: Byron Sher Auditorium  
1001 "I" Street  
Sacramento, California 95814

August 16, 2013, 10 a.m. – 4:00 p.m.  
(Wheelchair Accessible)

This workshop has two major objectives: to review the discussions about Station Location Areas from the August 12, 2013 "Hydrogen Fuel Infrastructure Survey" Workshop and to provide a forum to discuss future opportunities for new methods and approaches for Station Location Area selection. Comments will be solicited throughout this workshop.

### Agenda

**10:00 a.m. – 10:10 a.m.**

Introduction

Analisa Bevan, California Air Resources Board

**10:10 a.m. – 10:20 a.m.**

Agenda overview

James Zhang, California Energy Commission

**10:20 a.m. – 10:45 a.m.**

Overview of the stakeholder discussions related to Station Location Areas in the "Hydrogen Fuel Infrastructure Survey" Workshop held August 12, 2013

Sarah Williams, California Energy Commission

**10:45 a.m. – Noon**

Stakeholder discussion about method(s) and approaches for matching hydrogen fueling stations with customers

- The Station Location Areas remaining after the Notice of Proposed Awards (NOPA) for PON-12-606
- How to connect customer demand for hydrogen fuel with the Station Location Areas?
- Potential connection of station location to performance

Facilitators:

James Zhang, California Energy Commission  
Jean Baronas, California Energy Commission  
Tim Brown, University of California, Irvine

**Noon – 1:00 p.m. LUNCH BREAK****1:00 p.m. – 2:00 p.m.**

Stakeholder discussion about:

- Station location changes
- Connector stations
- Destination stations

Facilitators:

Jean Baronas, California Energy Commission  
Tim Brown, University of California, Irvine  
James Zhang, California Energy Commission

**2:00 p.m. – 3:00 p.m.**

- Station upgrades
- Drive distance
- Network coverage
- Backup stations

Facilitators:

Jean Baronas, California Energy Commission  
Tim Brown, University of California, Irvine  
James Zhang, California Energy Commission

**3:00 p.m. – 4:00 p.m.**

Potential for new approaches for selecting station location areas

Facilitators:

Sarah Williams, California Energy Commission

Jean Baronas, California Energy Commission

**4:00 p.m. - Adjourn**

### **Attendee List**

Attendees should note that an attendee list (in-person and electronic) may be prepared and that participants can choose not to be included on the list. The list becomes part of the public record and may be searchable with on-line systems.

Additionally, written comments may be posted to the Energy Commission's website for the proceeding. Please note that your posted written and oral comments, attachments, and associated contact information (e.g. your address, phone, email, etc.) become part of the viewable public record. This information may become available via Google, Yahoo, and any other search engines.

### **Workshop Scribes**

Notes will be taken during this iterative workshop by Jean Baronas and Sarah Williams of the California Energy Commission.
